

Neighbourhood News

October 2024 - Issue #7

Welcome to 'Neighbourhood News' — a newsletter to keep you in-the-know about the new Dundas Manor. The goal is to share ongoing updates — and provide an opportunity for our community to ask questions about our new home.

A Bird's Eye View!

Check out this amazing new aerial photo that really shows the progress being made on our new home.

It's getting exciting!

As always, if you have questions or comments, please contact Project Manager **Phil Marleau** at 613.774.2420 ext. 6341 or phil.marleau@dundasmanor.ca.

Construction News: Next Steps

- Thank you to our neighbours for your patience during the recent pouring of concrete. We appreciate your understanding during this necessary evening work.
- For the wing closest to the Community Care Building, the roof is going on and the wing slabs are in place on both floors.
- Underground plumbing is now complete on two of the wings.
- The footings for the north wing (located nearest Clarence Street) are complete.
- Work on the elevator shaft in the basement is expected to be finished later this month.
- This is fun! A sample window for the new home is on-site and ready for testing.
- Watch for exterior wall framing which will start next!

An Amazing Community!

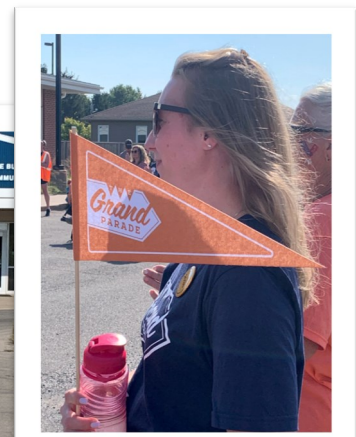

Expanding the circle
of compassionate care
LET'S BUILD THE NEW DUNDAS MANOR.

We've got exciting news to share! Our generous community has given more than \$14 million to help build the new Dundas Manor — so far. We are in the home stretch, with just \$3,999,500 million more needed to make this dream a reality.

The WDMH Foundation continues to lead the fundraising efforts right alongside the construction of the new home. As the walls go up, so do the gifts for Dundas Manor. We are so grateful for every donation – and every donation makes a difference, no matter how big or how small.

In September, two blockbuster events were held in support of the new Dundas Manor - a full day of fun throughout town at **Winchester Raises the Roof** on September 14th and **The Grand Parade** on September 21st. Our community showed up and gave generously. Thank you so much!
