Moustache Mania! The Results are in!

The moustache and beards kept growing during 'Dare to Flash a 'Stache 2021 (DTFAS) – and the donations kept growing too!

Thank you to everyone who participated in this year's event. The results are in and \$7,517 has been raised for the WDMH Foundation Cancer Care Fund in support of the Cancer Care Navigator Program. Another \$7,517 will go to The Ottawa Hospital to further support prostate cancer research.

"It was another great year for DTFAS and we want to thank the families, neighbours, colleagues, businesses, and service clubs who joined in," says Justine Plummer, Manager of Direct Mail & Events at the WDMH Foundation. "And thank you to the amazing DTFAS team for your commitment to supporting the Cancer Care Navigator Fund."

The Black Walnut Prostate Cancer Support Group, supported by the Prostate Cancer Network Ottawa, is proud to lead this important local fundraiser. The group provides support and fellowship to those who have been touched by prostate cancer in eastern Ontario. For details, visit <https://www.facebook.com/Black-Walnut-Group-297993444228903>.
