Nothing *Trivial* About This Night!

It was no joke on April Fool's Day when friends came together at the Russell Arena for the Russell Trivia Night in support of WDMH Foundation. And by the time the final game was played, \$6,461.33 had been raised for the Foundation's General Equipment Fund!

The fun evening included trivia, prizes, and auctions.

"Our thanks to Connie Johnston and Russell Trivia Services for a first-class competition and to everyone who came to play or provided an auction item," notes Justine Plummer, Manager of Direct Mail and Events.

Many people are surprised to learn that the provincial government does not fund the purchase of medical equipment for Ontario hospitals. To help ensure that WDMH has the right tools to provide excellent health care for our patients, the Foundation works with donors who care about WDMH and who want to make an impact. Thank you for caring!
