It's Trivia Time!

What does the 'www' stand for in a website browser?

How long is an Olympic swimming pool?

What is 'cynophobia'?

These and other questions could test your knowledge at the WDMH Foundation Trivia Night set for April 1st at the Russell Arena!

Everyone is invited to put together a team for an evening of trivia, prizes, auctions, and fun. If you don't have a team, no problem. Sign up and we'll put you on one. The cost is just \$10 per person and the event takes place from 6:30 to 11:30 pm.

"Gather your gang and let's get competitive!" says Justine Plummer, Manager of Direct Mail & Events and the WDMH Foundation. "We are excited to be working with Connie Johnston and Russell Trivia Services to offer a first-class competition. They are trivia event experts, and we are grateful for their support."

To reserve your tickets or to donate an auction item, please call Justine at 343-543-0069 or email jplummer@wdmh.on.ca before March 27th.

Proceeds from the evening will go toward the Foundation's General Equipment Fund. Many people are surprised to learn that the provincial government does not fund the purchase of medical equipment for Ontario hospitals. To help ensure that WDMH has the right tools to provide excellent health care for our patients, the Foundation works with donors who care about WDMH and who want to make an impact.

By the way, the trivia answers above are World Wide Web, 50 metres and the fear of dogs!
